

OUR SCHOOL UNIFORM

One of the long-established traditions of St Thomas of Aquin's has been the continued adoption of a school uniform.

The vast majority of our parents and pupils support it.

Wearing the school uniform can actually save parents/carers money and helps to avoid the pressure of purchasing designer clothes for youngsters to wear in school

Pupils who wear a school uniform tend to have more self-esteem and feel more committed to the school – as well as being proud to be part of the school. Finally, it also provides an extra layer of security for our pupils as it allows our staff to readily identify them from other young people.

Our recommended uniform is:
