## Sports Camp Information

Each week children will get the opportunity to participate in different sports. This is a great opportunity for children to try a wide variety of sports, some they may have experienced before and some new ones. Sports offered are a mixture of individual and team. The sports are delivered by qualified sports coaches, development officers, and local club coaches. Each group will have a maximum of 12 participants at a staffing ratio of 1:3 (there is capacity within swimming to offer an increased level of support). Our coaches and teachers will provide an opportunity for your child to learn new skills but most importantly we aim for them to have fun while taking part in sport and physical activity. These sessions are suitable for any ability level. Children are not required to have taken part in the sport prior to camp. Children should bring with them; trainers, sportswear (suitable for the outlined activities), packed food/snack and plenty to drink. **Once you have completed sign up we will make contact you to gather more information and answer any queries you may have.**

## Cost for the camp

The cost for the camp is £18 for the 4 sessions. There is no provision for single days or half days. Places are free for parents/carers who have registered their child(ren) for Free School Meals and Uniform Grants with the City of Edinburgh Council. If for any reason you think you may qualify for a free place then please contact Jill Coleman, info below.
