From Home Page

- Click on **Career Match**
- Menu - click on **Launch Career Match**
- Career Match will ask you 80 questions, think carefully before answering them and answer them all
- When finished click on View careers

This guide will help you to identify career options that match your potential interests and skills. Read the question with care and then choose from options;

Definitely
Probably
Probably Not
Definitely Not

“Don’t think problem, think opportunity.”
Rodney Tremble

When you have completed all the questions please make sure to save your answers and complete the activity overleaf

My Profile - My Interests, My Personal Qualities, My Values and My Skills

Additional IT Task

COMPLETE the activities overleaf and bring to your one to one interview with Helen Irons SDS. Mrs Irons may also ask you to log onto Planit Plus to view your profile
