Dear Parent/Carer

St Thomas of Aquin's High School has a varied sports and physical activity extra-curricular programme. As we move into this new academic year it is our intention to maintain the existing activities, where possible, and to introduce additional opportunities. This will allow as many pupils as possible to become engaged in some form of physical activity on a daily basis out with curriculum time.

For your child to participate in any of the activities offered they will need to become a member of the Sports Association. To become a member, you need to follow this link, enter the sort code and sign up online –

www.joininedinburgh.org

The sort code for St Thomas HS membership is – **STT-80**

Clubs and online bookings will open Monday 27th August and close on Friday 14th September 2018. This allows children to try out the clubs before they decide to sign up or not.

The cost of the annual membership is £45.

Pupils can participate in as many clubs as they like for this cost provided their year group and gender match the club description.

The fee is to subsidize external coaches, transport on occasions, affiliation fees, equipment and referee/umpires. **Membership fees are non-returnable unless there are not sufficient pupil numbers to allow a club to run.**

To help us assess demand, create registers and check the feasibility for the clubs we would like you to specify online which clubs your child may attend. There is a club tick list provided.

Note - The sports club timetable, if clubs have to be cancelled last minute we will announce this via the school tannoy or the Sports noticeboard in the PE department.

Note - At time of print, this timetable is deemed accurate (August 2018). However all clubs may vary term to term depending on volunteers' / coaches' availability / demand / cost / facility availability.

Note - Due to exam leave and lack of hall space in term 3 (and prelim week term 2) some clubs may cease or run at a reduced availability. This is reflected in the overall membership cost.

Note – Some coaches will be using the app, 'Teamer' to improve communications between coaches and participants regarding coaching sessions / fixtures.

Should you wish to know more about the Active Schools extra-curricular programme or if you have any questions regarding the Sports Association please do not hesitate to contact myself via details below -

Yours In Sport, Mr Reid, Active Schools Coordinator - Alan.reid@ea.edin.sch.uk - 07799 861 494
