I am leaving in June (year) so I will not be making option choices	

S4 pupils will choose 5 subjects to study in S5.

In S6 pupils will choose at least 4 subjects, and if pupils are studying 3 Advanced Highers they can opt to study 3 subjects

In S5 and S6, pupils can choose a place at college for a number of different subjects and courses. Pupil Support Leaders will liaise with pupils regarding the subjects and courses on offer.

In consultation with a pupil's Pupil Support Leader (PSL), S6 pupils can opt for a work experience or act as a subject mentor as a 4th option.

In the case of work experience, pupils must have days & times validated by the Pupil Support Leader and a letter from the organisation handed in before the new timetable starts.

Progression for S4 National Qualifications:

If a pupil passes a National 4 course, the next progression level should be National 5 level. A pupil passing a National 5 course should progress a Higher qualification over one or two years. Pupils considering taking Advanced Highers should consult with their PSLs and the CL of the curricular area.

Pupils should consult with Curricular Leaders and Pupil Support Leaders for advice on subject progression.
