

Autism Parent/Carer Information Sessions 2023-24

High School

Nov-Dec 2023

- Autism information sessions are now planned **for parents and carers of children with an autistic diagnosis, or for parents/ carers who have mentioned autism as a possibility. Children must be attending a mainstream City of Edinburgh High School**
- Sessions will take place on **Microsoft Teams**
- Children should not attend
- Pre-recorded versions of the sessions will be made available to those who register via Eventbrite and links will be sent after each live session. Subtitles in most languages are available when watching the pre-recorded videos.

Parents/ carers to book through Eventbrite up to 4 days before the start date to secure your place or to receive the recordings
