Staying on	
Definitely until June (insert year)	
Possibly until June (insert year)	
I am leaving at Christmas (insert year)	
I am leaving in June (year) so I will not be making option choices	

Name _____
Form _____

S4 pupils will choose 5 subjects to study in S5. S6 pupils will choose at least 4 subjects, and if pupils are studying Advanced Highers they must have attained 5 Highers or be coursed to complete 5 Highers (over 2 years). Pupils will not be allowed to drop courses unless under medical circumstances and pupils will be presented for all their chosen subjects via SQA.

In S5 and S6, pupils can choose a place at college or at a Neighbourhood school for several different subjects and courses. Pupil Support Leaders will liaise with pupils regarding the subjects and courses on offer. If pupils choose College/Neighbourhood, families must be aware that if there are further Lockdowns the learning experience will be an online one.

In consultation with a pupil's Pupil Support Leader (PSL), S6 pupils can opt for a work experience or act as a subject mentor as a 5th option.

In the case of work experience, pupils must have days & times validated by the Pupil Support Leader and a letter from the organisation handed in before the new timetable starts.

Progression for S4 National Qualifications:

If a pupil passes a National 4 course, the next progression level should be National 5 level. A pupil passing a National 5 course should progress to a Higher qualification over one or two years. Pupils considering taking Advanced Highers should consult with their PSLs and the S4-6 DHT.
